三、月供贷款数量及金额

六六 递交资料

住回切截止の時

The image is a large, rectangular area filled with a dense, chaotic pattern of black and white pixels. There are numerous small, colorful artifacts scattered throughout, including red, blue, green, and yellow specks. The overall appearance is that of a severely degraded or corrupted digital image, possibly a scan of a document that has been heavily processed or damaged. The image is oriented horizontally and occupies most of the frame.
